## Field Visit to Arunoday Enterprises, 1243/35 Shivaji Udyamnagar, Kolhapur- 416008

SVIPE's ICMS, Kasegaon has organized field visit to Arunoday Enterprises, Kolhapur on Saturday, 14th May, 2022 to bridge the gap between industry and academia. Total 61 students from BCA & B.Sc. (ECS) were present for the visit.

**Outcomes of Visit:**

**Practical understanding of concepts:** Students have observed how computer systems, software, and technologies are utilized in various industries. Students are able co-relate their academic learnings to the industry practices they observe during the visit, enhancing their understanding and preparing them for future careers.

**Exposure to industry practices:** This exposure helps them understand industry standards, processes, and methodologies used in software development, data management, networking, and other relevant areas.

**Photograph of visit to Arunoday Enterprises, Kolhapur**

**Knowledge of emerging technologies:** The students came across the various emerging technologies, such as artificial intelligence, cloud computing, data analytics, cybersecurity, and more and further understand that how these technologies are implemented in real-world applications.

**Understand the Industry Cultures and identification of Skillsets required:** Students have gain insights into different job roles, required skill sets, and potential career growth opportunities.

**Awareness of industry challenges:** The industrial visit exposed the students to the challenges faced by organizations in implementing and managing IT systems. The students have witnessed companies address issues such as data security, scalability, performance, and project management, which helps them develop a problem-solving mindset.

**Understanding the Significance of communication and teamwork skills:** Observing professionals working in teams and collaborating on projects have created awareness about effective communication, teamwork, and coordination in a professional setting.

## Field Visit to Orbit Pvt. Ltd., Hyderabad

SVIPE's ICMS, Kasegaon has organized field visit to Orbit Pvt. Ltd., Hyderabad on Saturday, 28th May, 2022 to bridge the gap between industry and academia. Total 36 students from BCA & B.Sc. (ECS) were present for the visit.

**Outcomes of Visit:**

- **Practical understanding of concepts:** Students have observed how computer systems, software, and technologies are utilized in various industries. Students are able co-relate their academic learnings to the industry practices they observe during the visit, enhancing their understanding and preparing them for future careers.
- **Exposure to industry practices:** This exposure helps them understand industry standards, processes, and methodologies used in software development, data management, networking, and other relevant areas.
- **Knowledge of emerging technologies:** The students came across the various emerging technologies, such as artificial intelligence, cloud computing, data analytics, cybersecurity, and more and further understand that how these technologies are implemented in real-world applications.
- **Understand the Industry Cultures and identification of Skillsets required:** Students have gain insights into different job roles, required skill sets, and potential career growth opportunities.
