ICMS College has organized Kho-Kho for boys student from BCA & B.Sc. (ECS) on Friday, 22/09/2017. Kho kho is a traditional Indian sport that dates back to ancient India. It is the second-most popular traditional tag game in the Indian subcontinent after kabaddi. Each sitting player on the chasing team faces the opposite direction of their adjacent teammates. They start running toward either pole. The chasing team can get around these restrictions if the active chaser either switches roles with a sitting teammate (by touching them on the back while saying "Kho"). Total 24 students from department of BCA & B.Sc. (ECS) have participated in this event.
