Circular

In order to promote a greener and more sustainable campus environment, the Institute has established the following policies:

Energy Conservation

- To raise awareness about energy usage and the importance of an eco-friendly environment, the Institute will organize speeches, competitions, street plays, etc.
- Class coordinators will conduct awareness sessions at the beginning of each semester to educate students about energy-saving practices and the benefits of an eco-friendly atmosphere.
- Prominent posters and banners will be displayed throughout the campus, encouraging students to turn off electrical equipment when not in use.
- A Free transportation facility will be provided to staff members in order to enhance the use of public transportation and in turn reduce the carbon emission.
- Installation of energy-efficient LED bulbs will be implemented across the campus to reduce energy consumption.
- Photovoltaic solar panels will be installed as an alternate energy source for generating electricity.

Environmental Preservation

- Properly positioned dust bins will be available throughout the campus for the collection of dry and wet waste.
- Effective waste management will be implemented, ensuring separate collection and disposal of solid and liquid waste.
- Rainwater harvesting initiatives will be initiated to conserve water resources.
- Measures will be taken to avoid the use of plastic on campus.
- E-waste will be collected and appropriately disposed of to minimize environmental impact.
- Encouragement will be given to reduce or eliminate unnecessary paper printing, promoting a paperless environment unless absolutely necessary.

Green Campus

- Regular tree plantation drives should be implemented to enhance the campus's greenery.
- Every employee of the Institute is encouraged to plant at least one tree annually.

Sub.-: Purchase cum Work Order for Solar Photo Voltaic (SPV) Grid connected Rooftop On-Grid System.

Ref. :- Your tender quotation dated 27/12/2019 and further negotiation.

Dear Sir,

With above reference, we are pleased to place the Purchase cum Work Order for 75 KW (At Distribution side) Solar Photo Voltaic (SPV) Grid connected Rooftop System (on-Grid) with Net metering facility as per the specifications and details given in Annexure-I attached herewith.

The order is Subject to the following Terms and Conditions:

1. Acceptance of material is subject to prior inspection and approval from our side.
2. Prices are inclusive of all duties, taxes, applicable GST, packing, forwarding, transportation up to our Institute, installation and commissioning.
3. The total work (installation and commissioning) shall be completed within 2 months from the date of receipt of this order.
4. **Warranty:**
 - a) Entire System (Solar plant): Comprehensive Onsite Warranty for the period of 05 years.
 - b) Inverter Systems: Comprehensive onsite Warranty for SolarEdge Inverter systems including Optimizers for the period of 12 years.
 - c) Solar Panels & Optimizers: There shall be generation guarantee for the period of 25 years for panel as per the details given in the company brochure.
 - d) The warranty period will start from the date of submission of one month successful performance report of the system about satisfactory generation.

B. Orange

P.O. Accepted.

- e) During warranty period, your representative shall visit our premises once in every three months for routine / preventive maintenance / servicing. In addition, if any breakdown is there your person shall visit the Campus within 48 hours. However, regular cleaning of panels shall be taken care of by us as per your instructions (once in every week).
- f) GUARANTEED GENERATION: The M/S. Green Energy Solutions ensure guarantee on an average generation of minimum 5 units (kWh) at distribution side, per kW per day from the system (SPV Power Plant) at least 300 days in a year (Minimum 112500 Units) during comprehensive onsite warranty period of five years. Otherwise, M/S. Green Energy Solutions have to pay an amount of Rs.10/- per unit as compensation for the number of units not generated against the guaranteed generation. The M/S. Green Energy Solutions shall provide sealed and tested energy meters at generation side of the systems (SPV Power Plant).
- g) M/S. Green Energy Solutions shall submit performance Bank Guarantee of Rs.315000/- (Rupees, Three lakh Fifty Thousand only) from any Nationalized Bank, against Comprehensive Onsite Warranty and guaranteed Generation, for the period of 05 years.
- h) There shall be generation guarantee for the period of 25 years for panels as per the details given in the brochure of the Company RenewSys Solar. Representative of M/S. Green Energy Solutions shall put seal and signature on every page of this brochure.
- i) It is mandatory to complete the work as per the specifications mentioned in Annexure -I & Other Terms and Conditions as mentioned in our Tender Copy will be applicable
- j) M/S. Green Energy Solutions shall train minimum two persons from our Institute for the period of minimum five days for operation of the system and panel cleaning.
- k) M/S. Green Energy Solutions shall not be liable for any failure for the period that such failure is due to causes beyond its reasonable control, including but not limited to acts of God, war, strikes or labor disputes, embargoes, government orders or any other force majeure event.

[Handwritten signature]

5. Payment will be released as per the details given below:
- 50% against delivery of materials at our site and after Depositing additional 2% towards Security Deposit on total contract value. EMD of 3% already with us will be treated as converted in to Security Deposit making Security Deposit as 5%(Rs.157500/-).
 - 20% after installation, successful commissioning and satisfactory demonstration of the systems.
 - Balance 30% on submission of one month successful performance report of the system and submission of performance.Bank Guarantee of Rs.315000/- (Rupees, Three lakh Fifty Thousand only) from any Nationalized Bank for the period of 05 years subject to completion of Net metering work and approval from MSEDCL in every respect in this regard and submission of Subsidy letter in MEDA, if applicable. The release of this 30% amount is also subject to fulfillment of other terms and conditions in this order.
- 75 kWp (Distribution Side), be installed on rooftop of our LOTUS English School Main Building.
 - Module Mounting Structure: For RCC roof, hot dip galvanized structure shall be used for the stability as per our discussion. i) GI with Hot Dip Galvansied 80 x 40 mm C Channel 2 mm thick with necessary support on the terrace level. ii) Structure Height as per required Sun Azimuth 18 degree towards south 2 – 4 Feet Height as per need. iii) With Base plate 50 x 50 x 5 mm thick GI patti with hot dip. 100% 6061 Grade Vergin Aluminum Structure(Anodized) with SS Fastners and Aluminum Clips for perfect Strength also all sheds be protected with leakage proof solution.
 - The mounting structure shall be so designed to withstand the speed for the wind zone of the location where a PV system is proposed to be installed considering wind speed of 150 km/ hour. It may be ensured that the design has been certified by a recognized Lab/ Institution in this regard.
 - Systems dismantlement and reinstallation cost in future will be Rs.1.5 per Wp (Watt). (Total :1.5x 75000=Rs.112500/- including Materials and Labour charges).
 - M/S. Green Energy Solutions. shall provide two Fiber Brushes with attachment and 10 litre panel cleaning solution.
 - Other Terms and Conditions as mentioned in our Tender Copy will be applicable.

Report for Management of the various types of degradable and nondegradable waste

Managing both degradable and non-degradable waste is essential for achieving sustainable waste management practices. It is important for organizations and individuals to collaborate and prioritize waste management initiatives to build a cleaner and more sustainable future. Institute has the following initiatives for Management of the various types of degradable and nondegradable waste:

1. A Separate Solid and Liquid waste collection system is available in the Institute.
2. In order to manage the solid waste and Liquid waste, Principal of SVIPE's Institute of Computer and Management Studies, Kasegaon has taken permission from Sarpanch of Kasegaon Grampanchayat to collect waste from SVIPE's Institute of Computer and Management Studies, Kasegaon.
3. MoU for disposal of E-waste is signed and E-waste isw disposed accordingly.

Report for Water Conservation

Water conservation is crucial for sustainable water management. By implementing the various conservation strategies, a contribution can be made to the conservation of this precious resource and ensure its availability for future generations. Institute has the following initiatives for use of alternate sources of energy and energy conservation measures:

1. Borewell
2. Efficient water distribution system
3. Rain water harvesting
4. RO Water treatment plant
5. Awareness is created about saving of water by disseminating related posters at various prominent places.

Report for Alternate sources of energy and energy conservation measures

Date.:

Exploring alternate sources of energy and adopting energy conservation measures are crucial steps toward a sustainable future. Institute has the following initiatives for use of alternate sources of energy and energy conservation measures:

1. 75 kW Solar Rooftop plant is installed
2. LED bulbs are used in classrooms and laboratories for energy saving.
3. Awareness is created about saving of energy by disseminating related posters at various prominent places.

1. The total bill amount of the bill may be remitted by a Crossed Demand Draft/Cheque drawn in favor of "Maharashtra State Electricity Distribution Co. Ltd." Whenever Security Deposit is demanded separate Cheque/Bank Draft should be sent.
2. The current bill is payable within fifteen days from the date of issue of the bill. Even if there is any discrepancy in the bill or any other clarification needed, consumers are requested to pay the billed amount in full provisionally or under protest subject to review and subsequent adjustment, so that payment of delayed payment charges is avoided.
3. This bill is issued subject to the provision of the "Conditions and Miscellaneous charges for supply of Electrical Energy" of the MSEDCL.
4. Please quote the Consumer Number on the back of the Cheque. The payment of this bill should be made at Company's office only.
5. If the cheque is sent by post, the same should be posted three clear days in advance of the due date.
6. In case of payment made through RTGS/NEFT/Cheque/DD/Pay Order, the date of amount credited to MSEDCL's account will be treated as receipt date.

Collection Hours : 10-30 to 16-00 Hours (Except on Bank Holidays, Sundays, 2nd and 4th Saturdays)

Adjustment Details

Adjustment Type	Debit Amount (incl in Bill)	Credit Amount (incl in Arrears)
PROMPT PAYMENT DISCOUNT	0.00	556.00

Section 206C(1H) of the Income-tax Act, 1961 mandates MahaVitaran to collect tax at source ["TCS"] from its consumers at the rate of 0.1%* as and when the aggregate energy bill of a consumer** exceeds INR 50 lakhs in a financial year (i.e. the year starting from April and ending in March). Thus at any point in time, during a financial year if the aggregate energy bill of a consumer exceeds INR 50 lakhs then the consumer will be additionally required to pay TCS @ 0.1%* on the sales consideration. In case of incomplete/adhoc payments to MahaVitaran, MahaVitaran will adjust the payment(s) in a manner whereby the amount proportionate to the required TCS will be first adjusted and the balance will be considered as outstanding electricity charges to which the provisions of section 56 of the Electricity Act, 2003 - relating to disconnection of supply in default of payment will apply.

For the financial year 01 April 2020 to 31 March 2021 the aggregate limit of INR 50 lakhs will be considered in respect of energy bills raised on and after 01 April 2020 onwards.

* 0.075% if the amount is paid or credited during the period 14 May 2020 to 31 March 2021 in terms of the Press Release dated 13 May 2020 issued by the Central Board of Direct Taxes.

** consumer - For the purpose of TCS, a consumer would mean an entity holding a valid Permanent Account Number ["PAN"]. In case a consumer holds various consumer ids/consumer numbers spread across the state of Maharashtra for the purpose of section 206C(1H) of the Income-tax Act, 1961 all the consumer ids/consumer numbers will be treated as one consumer based on its PAN.

***if a consumer does not hold a valid PAN the rate of TCS will be applicable @ 1%

CONDITIONS

1. The total bill amount of the bill may be remitted by a Crossed Demand Draft/Cheque drawn in favor of "Maharashtra State Electricity Distribution Co. Ltd." Whenever Security Deposit is demanded separate Cheque/Bank Draft should be sent.
2. The current bill is payable within fifteen days from the date of issue of the bill. Even if there is any discrepancy in the bill or any other clarification needed, consumers are requested to pay the billed amount in full provisionally or under protest subject to review and subsequent adjustment, so that payment of delayed payment charges is avoided.
3. This bill is issued subject to the provision of the "Conditions and Miscellaneous charges for supply of Electrical Energy" of the MSEDCL.
4. Please quote the Consumer Number on the back of the Cheque. The payment of this bill should be made at Company's office only.
5. If the cheque is sent by post, the same should be posted three clear days in advance of the due date.
6. In case of payment made through RTGS/NEFT/Cheque/DD/Pay Order, the date of amount credited to MSEDCL's account will be treated as receipt date.

Collection Hours : 10-30 to 16-00 Hours (Except on Bank Holidays, Sundays, 2nd and 4th Saturdays)

Adjustment Details

Adjustment Type	Debit Amount (incl in Bill)	Credit Amount (incl in Arrears)
PROMPT PAYMENT DISCOUNT	0.00	579.00

Section 206C(1H) of the Income-tax Act, 1961 mandates MahaVitaran to collect tax at source ["TCS"] from its consumers at the rate of 0.1%* as and when the aggregate energy bill of a consumer** exceeds INR 50 lakhs in a financial year (i.e. the year starting from April and ending in March). Thus at any point in time, during a financial year if the aggregate energy bill of a consumer exceeds INR 50 lakhs then the consumer will be additionally required to pay TCS @ 0.1%* on the sales consideration. In case of incomplete/adhoc payments to MahaVitaran, MahaVitaran will adjust the payment(s) in a manner whereby the amount proportionate to the required TCS will be first adjusted and the balance will be considered as outstanding electricity charges to which the provisions of section 56 of the Electricity Act, 2003 - relating to disconnection of supply in default of payment will apply.

For the financial year 01 April 2020 to 31 March 2021 the aggregate limit of INR 50 lakhs will be considered in respect of energy bills raised on and after 01 April 2020 onwards.

* 0.075% if the amount is paid or credited during the period 14 May 2020 to 31 March 2021 in terms of the Press Release dated 13 May 2020 issued by the Central Board of Direct Taxes.

2. Support from Kasegaon Grampanchayat for Waste Management

Request Letter to Kasegaon Grampanchayat for sending the vehicles (*Ghantagadi*) for collecting Waste

The growing concern over domestic waste produced in rural Indian households has become a pressing issue. Despite the fact that most of the solid waste generated in rural areas is organic and biodegradable, the lack of segregation exacerbates the problem, according to the Ministry of Drinking Water and Sanitation (MDWS) of the Government of India. Indiscriminate littering leads to inadequate environmental sanitation, resulting in an unhealthy living environment. Thus, it is imperative to handle household waste responsibly. To effectively address this issue, a well-functioning waste management system needs to be implemented.

In order to manage the solid waste and Liquid waste, SVIPE's ICMS, Kasegaon has taken permission from Sarpanch of Kasegaon Grampanchayat to collect solid waste from SVIPE's ICMS, Kasegaon campus by sending vehicle (*Ghantagadi*). The letter to get permission from Kasegaon Grampanchayat is as follows.
